**STATEMENT OF SUBSTANCE OF INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on  
November 30, 2010:

**REMARKS**

An Examiner's Interview Summary Record (PTO-413) was attached with the PTO  
Communication dated December 6, 2010.

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: N/A.
2. Identification of claims discussed: all pending claims.
3. Identification of art discussed: of record: Kostenuik
4. Identification of principal proposed amendments: Claims presented in the

Amendment filed October 26, 2010 were discussed.

5. Brief Identification of principal arguments: Kostenuik fails to teach amended claim 1 and amended claims are patentable over Kostenuik; obviousness-type double patenting should be withdrawn because the reference co-pending application has a later filed application and the amended claims are in condition for allowance.

6. Indication of other pertinent matters discussed: none.

7. Results of Interview: The Examiner agreed that the amendment of October 26, 2010 overcame the rejection of record under 102(c); and would conduct search based on the amended claims.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

**It is believed that no petition or fee is required.** However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee and the Publication Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,
